Bringing in weapons

For non-Scandinavians only

According to Swedish law, all non-Scandinavians must apply for permission to bring weapons to Sweden.

This is something that the organizers of the DOT can't influence.

With special permission and "weapons passport" you can bring all CAS-shooting weapons.

You can choose to apply in 2 different ways:

Either through the organizers, or directly to the police.

We and the police highly recommend that you turn to us to apply. That way we have control of all applications, as they will be dealt with here at the local polis station.

If you choose to let the organizers apply for you, fill in the application form, invitation and print it.

Get a copy of your "firearms pass" and a copy of your original license of all the guns you are bringing in to Sweden. Make sure that expire date is visible on the copy.

If you are staying for holyday in Sweden after the match, set the latest day of departure to cover any delays.

Send it to us at:

Torsby Pistolskytteklubb
Nottjärnsvägen 10
S-685 92 Torsby
Sweden

Then pay 600 Swedish Crowns to our bank account

IBAN number: SE97 9500 0099 6026 4913 4323

5. The name of the competition organizer together with address and telephone number.
6. Where grounds or site of competition are situated.
7. Invitation
8. Copy of certificate of the firearm/s from the home country shall accompany the application.

If any of the above information is incomplete then the application will be returned thus risking that the matter will not be dealt with before the guest arrives.

How to apply

The application should arrive at the organizer **at least six weeks before the arrival** of the shooting guest.

A service charge of **600 Swedish Crowns** for each permit is deducted and is to be paid when the application is made. **Please note the fee isto be paid in Swedish Crowns.**

On the departure the weapon/s shall be presented for Customs in order to receive a stamp and to obtain permission for its departure.
